3 courses of electives from course listing

9 cr / 86 cr total

**Highlighted** courses are currently required to be taken on campus

**Highlighted** courses are currently available online or by correspondence

**OTHER NOTES:**

- The PC206 is equivalent to the ministerial track of PC202 Pastoral Care II with the option of taking either Psychography or Training of the Initiate II
- Papers on Current Esoteric Trends in World Faiths and Convergence of Science and Spirituality will be presented on campus.
- The project is to be an applied use of the advanced spirituality teachings with a write up of a minimum of 4000 words, but not needing to follow strict Turabian guidelines. This too, will be presented on campus in a 90 minute format.
- Based on current course availability, the on-campus attendance requirement for this Master's is 11 weeks and may be accomplished in an average of two years or at the student's own pace.
